

Applicant: Magnus Wiethoff  
Application No.: 10/592,917

**In the Specification**

Applicant submits herewith a marked-up specification and substitute specification. Paragraph numbering and section titles have been included in these specifications for convenience; references in the description to the claims have been deleted; and minor grammatical errors have been corrected.

In addition, the numeral "8" was added in paragraph 79 to correspond with the use of that identifier in Fig. 1. Further, in paragraph 126, second line, the numeral "15" was a typographical error and has been corrected to read - - 215 - - to correspond with the rest of the specification and the drawings.

No new matter has been added by these changes.

Respectfully submitted,
